1.30pm to 4.30pm

Asset-based community development masterclass, followed by a networking opportunity until 5pm

6pm to 9pm

Asset-based community development masterclass, with light dinner

WHO SHOULD ATTEND?

- Local Government Councillors, and Local and State Government agency staff
- Board and staff members from health and wellbeing organisations
- Community members with the passion to lead their communities to achieve their potential

In this Masterclass Cormac Russell will demystify ABCD. He will look at three fundamental questions for creating sustainable and resilient communities:

- What can communities do that organisations cannot?
- What can organisations do that communities cannot?
- What can communities do with organisations that neither can do alone?
