Lien Trinh

Manager of End Trachoma 2020

Lien holds a Bachelor of Optometry from the University of Melbourne and Master of Optometry from the University of NSW. She has experience working in low-income settings internationally as well as throughout Australia. In 2013 she was awarded the inaugural D9800 Global Grant from the Rotary Foundation to study a Master of Public Health at the London School of Hygiene and Tropical Medicine. She has since worked at Indigenous Eye Health, and now manages 2 delightful tots as well as our Project EndTrachoma by 2020

Trachoma is the leading infectious cause of blindness globally. Australia remains the world's last developed country where it still persists. Blindness from recurrent trachoma infections is irreversible. But trachoma is an entirely preventable disease, and infections can be treated quickly and effectively.

PDG Dr. Murray Verso

Murray is a retired medical practitioner. He has been a member of the Rotary Club of Williamstown since 1981. He was Governor of Rotary International District 9800. He is now a Regional Rotary Foundation Coordinator and is also a member of the End Trachoma Core Team.
